

Creative Kidz 2011

Dates and Description of Weekly Camp Themes

Summer Splash: June 13 – June 17

We're diving into summer in style. This week campers will make a splash with new friends and gallons of water games, art activities and science projects.

Ghostly Get Together: June 20 – June 24

We won't let the summer heat turn us into ghouls and goblins, but we will be having a week of Halloween-ish summer fun...pumpkin carving, trick-or-treating and a costume contest just to name a few things. Don't be scared, it'll be a boo-tiful week!

Ya Dig: June 27 – July 1

Roll up your sleeves and prepare to get dirty. This week campers will become junior paleontologists; digging deep to find out what is hiding beneath our feet. It will be a blast, no "bones" about it.

Vacation Station: July 11 – July 15

Update your passports!! Campers will travel this week to some of the world's most popular vacation destinations for not only a "taste" of the culture but for the food and "kid life" that those locations have to offer.

We're Cookin': July 18 – July 22

Who's hungry??? This week campers will take inspiration from some of our favorite children's' stories and classic snacks to cook up some yummy fun. This week is sure to whet the appetite for some good food and some good books.

Rising Stars: July 25 – July 29

This week campers get to "ham it up" and show their true passions and talents. We will write, produce and direct our annual talent show throughout the week and perform on Friday for our friends and family. Everyone has a chance to shine!

Minute to Win It: Aug 1 – Aug 5

Our take on the famous game show...we have 3,000 minutes to share this week and there will be a challenge in nearly every one of them. Each and every camper will have plenty of opportunities to win...the clock is ticking!!

PLA-A-A-A-Y Ball! Aug 8 – Aug 12

Whether you are a professional athlete or an amateur juggler, this week has something fun for everyone. "All Ball" week will have tons of games, activities, crafts and projects that require something round. If it's a sphere, it'll be here!!

It's a Wrap: Aug 15 – 19

As the summer comes to an end, campers will spend the last week "re-running" some of their favorite camp games, projects, stories, experiments, and fun.
