Food:

We provide an afternoon snack and drink. **“Campers” need to bring a healthy morning snack & drink, and lunch & drink.** Small ice chests are acceptable, and should include the camper’s name on the outside.

Peanut products are very dangerous to some people. We ask that you do not send anything that contains peanuts.

What to Bring:

Large sport water bottle – It’s summer! Some activities are held outdoors, helps to prevent dehydration.

Beach towel or small blanket – During quiet time, after lunch, ALL campers sit or lie down on their own towel/blanket.

Extra set of clothing - for emergencies or “spontaneous” water play

Backpack – to keep their personal belongings

Favorite Board Games – great way to.... make new friends, develop strategies, and practice sportsmanship.....

What NOT to Bring:

Handheld video game systems, cell phones, or any type of MUSIC Players

Money:

Campers may bring money for snacks during field trips. The money should be placed into a zip-lock baggy and the camper’s name and the \$ amount should be written on the outside of the bag. Campers in grades 2-6 are responsible for their own money. We love the fact that some of our kids want to share. However, this does, from time to time, become a problem... we ask that they do not share their wealth.

From MFLC Director:

I am happy to say that over the past 7 summers, we simply have not had real discipline problems. Our kids are too busy having fun and learning. However, I must reserve the right to send anyone home (suspend or expel) who cannot use their best manners and self-control either on site or during scheduled field trips. You will not be reimbursed for this time.
